To the Executive Officer:

25X1A

Attached is my revised TO per your request. There are a few minor changes made from your worksheets. For your information, I feel strongly that we should fight for the deputy slot rather than trying to fit it into a branch chief position. I called [REDACTED] to find out what the policy was with the two offices that I feel are most compatible to ours, i.e., Office of Logistics and Office of Personnel. He stated that all the divisions in Logistics have designated deputy positions, i.e., LSD, Procurement, Supply, Real Estate and Construction. He stated that in Personnel they have a mix - two divisions have and two divisions don't. I feel comfortable with the attached organizational structure and feel that we can justify the positions requested.
